CELEB NEWS & GOSSIP

TOP OF THE ASS!

We look up to teachers as people who will educate the minds of the next generation, but sometimes they're a little bit dumb themselves. Olivia Sprauer, 26, of Florida, was an English teacher at Martin County High School and says she knew that she was taking a risk by posing for bikini photos. Yes, Olivia, but you still did it, didn't you? And got fired? Very good.

Actually, we're happy she did. A babe this hot was wasted teaching Walt Whitman to a load of little shits when she could be showing us her trim body busting out of scanties. "I don't make pornography, I don't open my legs on camera, I take swimsuit glamour style photography," Sprauer, who models under the name Victoria James said. Well, Olivia, we would like you to make pornography. So there.

I'd like you to take out your pencils now, boys!

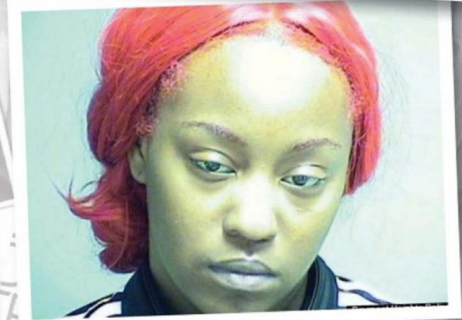

HIDE YO IPAD, HIDE YO PIGGY BANK

THEY BE STEALIN' EM UP IN HERR

This little piggy bank went to prison...

THIS LITTLE PIGGY!

When we were kids, and life was in black and white, we used to save up our spending money for ZX Spectrum games and big bags of pick and mix. That wasn't enough for an unnamed 14-year-old in Chicago who thought he'd spend some of his savings on a sexual hook-up with 22-year-old alleged sex worker Dareka R. Brooks. He booked her for a visit using his iPad. When Brooks arrived to meet her underage date, she told him to go into his bedroom and undress. She followed him in, pepper-sprayed him, then stole the piggy bank and the aforementioned iPad. She was later caught in a motel and charged with armed robbery and could face 6 to 30 years in prison. Why didn't she just flash him her tits? That would have had our piggy wank-banks overflowing at the age of 14!

BEHINDBRAS!

All over the world, there are many victims suffering in silence. Their faces have been plastered all over the internet. They've been mocked by trolls. They have no form of redress – these are the victims of Memes. But Meagan Simmons is no ordinary Meme victim. When she was arrested in July 2010 for reckless driving, she didn't imagine her mug shot would become a minor internet sensation as she was dubbed the 'Attractive Convict'. And yes, she clearly is. Simmons, who lives in Florida with her children, actually says she was distraught when the picture was taken but, to be honest, that doesn't stop us saying 'yes we would'. Hundreds of memes did the rounds, with Simmons getting messages and tweets from all over the world. And was this shot a one-off? No sirree. Check her out in real life. We'd definitely cum all over her memes...

Barnacle Bill was up to!

MASSIVE ANIMAL APPENDAGES

In the jungle, the mighty jungle, there are many animals with surprisingly huge wangs! Here are five critters with cocks that put humans to shame.

The Argentine Lake Duck – Often we compare penises to sausages and if you were to compare the Argentine Lake Duck's to one, it would be like a big, coiled Cumberland! Measuring a whopping 17 inches this feathered friend keeps his flaccid phallus curled up inside his body. Ducking hell!

The Flea – Thought to have the biggest baby-maker in relation to body size in the whole world is the micro sized flea. Some of those jumps must be for joy.

The Deep Sea Squid – Scientists only discovered in 2010 that deep sea squids had massive schlongs, when they caught one, examined it and were shocked when it started to get a stiffy! Like typical blokes, they whipped out the tape measure to find it grew to 67cm, almost as long as itself from mantle to tentacle!

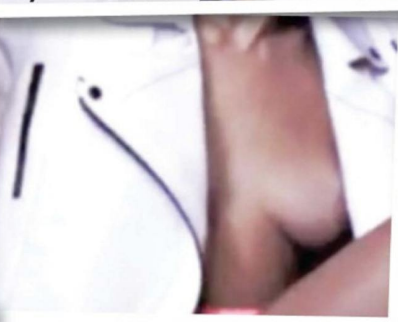

The Blue Whale – If you're going to be the biggest animal on the planet, then you better have the junk to match it! The largest measured blue whale willy was eight feet.

The Barnacle – Stuck to rocks, bottoms of boats, or whales these molluscs have a secret: they're packing a love muscle that is up to 40 times bigger than the animal's body. Geez!

MILEY HIGH CLUB!

We won't pretend like we've been waiting around for ages for Miley Cyrus to show some boob or fanny. We haven't. Despite appearances, we actually have lives. But the daughter of Billy Ray – literally everyone's favourite musician – does have a tendency to eschew her bra under whatever top she's wearing, which has made us somewhat interested in what lies beneath. Well, now we know. Okay, now we nearly know. During a sexy shoot for V Magazine, she exposed a bit of side boob and, obviously, they've leaked it. Okay, it's not exactly a picture of her diddling herself while she licks our jizz from her nipples, but it's a start.

We'd give Cyrus a virus!

RI-RI'S DEE-DEE'S!

Good old Rihanna, she knows what we want. She knows it's not enough to just release singles and albums periodically, along with performing live shows. No, she knows that what we salacious beasts really crave is a bit of pop star flashing. Girls Aloud probably wouldn't have split up if they (including the ginger ponk) had bothered to slip a tit out for a snapper now and then. Rihanna's Instagram account is worth following just for the bikini shots she drops on there, and she had us instawanking when she dropped this gem recently, holding a towel to her breasts with the caption 'Show time'. Yes it is, Rihanna!

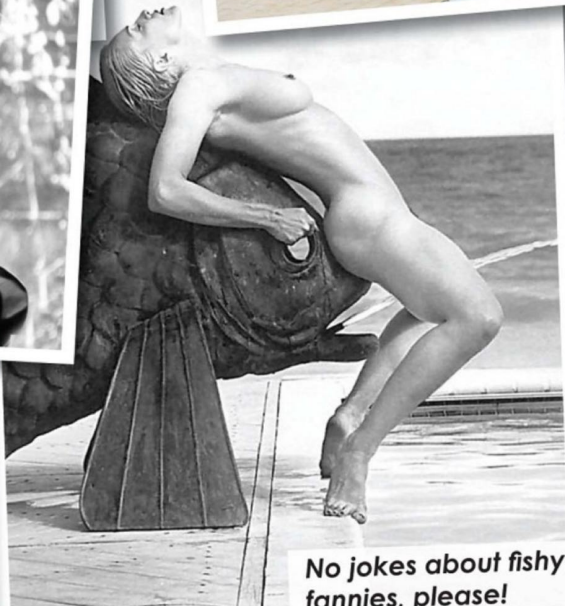

Can we borrow your towel, love?

Any chance of some instaclam?

6 Adult Sport

No jokes about fishy fannies, please!

PISCINE ABOUT!

We don't want to carp on about it, but here at Adult Sport we're keen followers of fish. We have knowledge of fishing quotas, we know all the Latin names for our underwater pals, and on a Friday we're not averse to eating some, with chips and mushy peas. But even we fish fanatics were taken aback at the asking price for the giant bronze carp sculpture that recently went up on eBay. By the time the auction had finished, it was up to over \$12,000, and it didn't even meet the reserve price. Why all the clamour? Because this fish once had a starring role in Madonna's infamous Sex book, nestling between her legs as the once-fit pop star pretended to do naughty things. It's a piece of minor musical/publishing history. What next? An auction for a lamp that once in the background of a Razzle romp? Actually, that's not a terrible idea... Anyhoo, we can't say too much as back when Sex came out, we could definitely knock one out to Madonna. Her music gives us a haddock though...

MANY A SLIP TWIXT CUP AND FANNY-LIP!

LeAnn Rimes (real name Margaret Cibrian, fact fans) is best known for her country-pop career, her chart-topping hits, her Grammy wins, her battles with psoriasis, her lawsuit against her father and for her 37 million records sold worldwide. And now she's also known for showing a bit of her labia majora in popular family monthly *Adult Sport*. We'd like to do some puns along the lines of 'cunty and western' and 'Winner at the Clammy Awards', but we're too tired. And, obviously, wanking ourselves into barely sentient piles of mince.

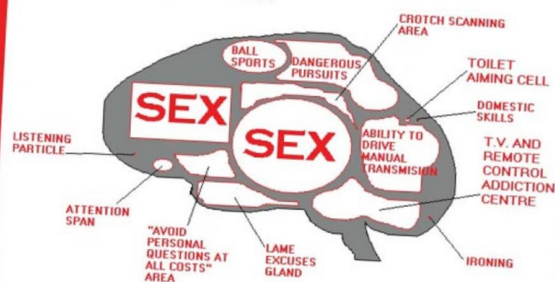

Rimes shows us her ancient mariner. Er...

SHOCKING SEX STATS

- The average person in a relationship has sex 10 times a month. This decreases to seven times once you move in together and five times once you're married. (*From Time Out London Sex Survey, 2013*)
- When 522 American men were asked if they prefer their woman to have big boobs, only 24% of respondents said yes. (*Esquire, 2012*)
- Eighteen percent of UK adults masturbate three to four times a week. (*Durex British Sex Survey, 2009*)
- Seventy-one percent of women in a relationship have said they wouldn't mind "a little more pain" to turn them on in the bedroom. (*Time Out London Sex Survey, 2013*)
- Up to 28% of men think about sex 288 times a day. (*Smooch.com 2010*)
- A survey of 100,000 British daters revealed that, on average, the first time a couple will have sex is after four dates. (*Seekingarrangement.com, 2012*)
- Thought women loving porn was on the rise? Apparently, only 41% of women use porn once a month or more, compared to 76% of men. (*Relate/Ann Summers, 2012*)

KYRA

We're not sure that Kyra will pass any health and safety inspections on her kitchen but, then again, food prep is the last thing on our minds as we watch the hottest dish of the day strip in front of us.

"I can't even cook," she laughs. "I can burn a glass of water. But I do like sex in here. Put me up on the work surface and bang me hard!"

YANKS FOR THE MEMORIES

Our resident porn star Angel Long takes wing and recalls her first trip to L.A... complete with blokes wanking in the street...

Hello you dirty fuckers... mm love using that... calling people dirty fucks ha ha... sounds sooo naughty. Hope we are all well and enjoying the naughtiness that goes on in this mag.

Ok, so I've been telling you all about what I have been getting up to over the past few months, well I wanted to do like a rewind blog. Yep, you heard that right, I want to talk about a few things back in the day, ha ha it sounds like I'm really old! I'm not, I promise, but as you all know I have been in the jizz biz quite a while and, like I said in the first column, I have worked all over the world.

Well, I wanted to go back to the first time I ever went to the States. I think it was just less than a year after starting in the adult industry. I can honestly say that this is where the true Angel Long was born. We went out to the States because I had met Miss Layla Jade and she told me I would really like it out there and it would be a wicked place to shoot some great hardcore scenes. This sounded perfect to me, I wanted as many people to see my porn scenes as possible. It used to – and still does – get me off knowing people were watching me getting naughty. I loved this. I also loved the thought of getting to fuck all these different people – it was kinky, I wanted everyone to see me being naughty. So, off we went to the big ole' U.S of A.

We went at the time of the AVN show, which blew my mind. It was this huge convention with all these porn stars I had watched, all in one place and soooo many fans, it was crazy. To be honest, at the time it was all a bit overwhelming, I was still quite a shy person, even though sexually I was a crazy cat. Normal Angel Long was a shy, nervous person, so the AVN's were immense to me. While I was there I met my first agent who was a tiny little guy who was wicked, and still to this day his business card is a picture of me and Ashley Long stood beside him in heels. We must have been two foot taller than him.

Ok, let's move forward a few days, when I was finally getting to work in L.A. The work came in pretty fast for me, the Americans always love a new English girl – not sure why, think they think we are naughty. I'm going to be honest here... I was actually in my element, I was fulfilling all my fantasies. I got to shoot loads of anal scenes which I love – I would much rather get fucked in the arse than my pussy – I was doing gangbangs with black guys, I was shagging loads of hot girls, I was just being a very naughty girl and I was enjoying doing it, it was my sort of sex. Hard, nasty, rough kind of sex. The jizz biz is soooo much bigger in Los Angeles. I loved it.

One thing I have got to tell you about, which isn't porn related but is soooo crazy.

It had never happened to me before and, to be honest, I don't think it ever will again. Puma Swede and I were walking to get Starbucks one day, we were wearing little skirts and tops and flip flops, when this guy stopped his car and pulled us over. As we approached his car we realised he had his cock out and was wanking it. We just started laughing and were like 'what the fuck?' We started to walk off and this guy drove real slow past us still wanking his cock. We were laughing away to ourselves when, next thing you know, he has pulled up beside us again. This time his pants were pulled down round his knees and he was proper wanking. Now, yes, we are both porn stars and sex is our business, but it was just the most unreal thing I have seen. We were on a main road in L.A. Needless to say, we just kept walking, The guy was just driving beside us and shouting, 'Come on, come on, get on my dick.' Funny as fuck. And, nope, we didn't get on his dick.

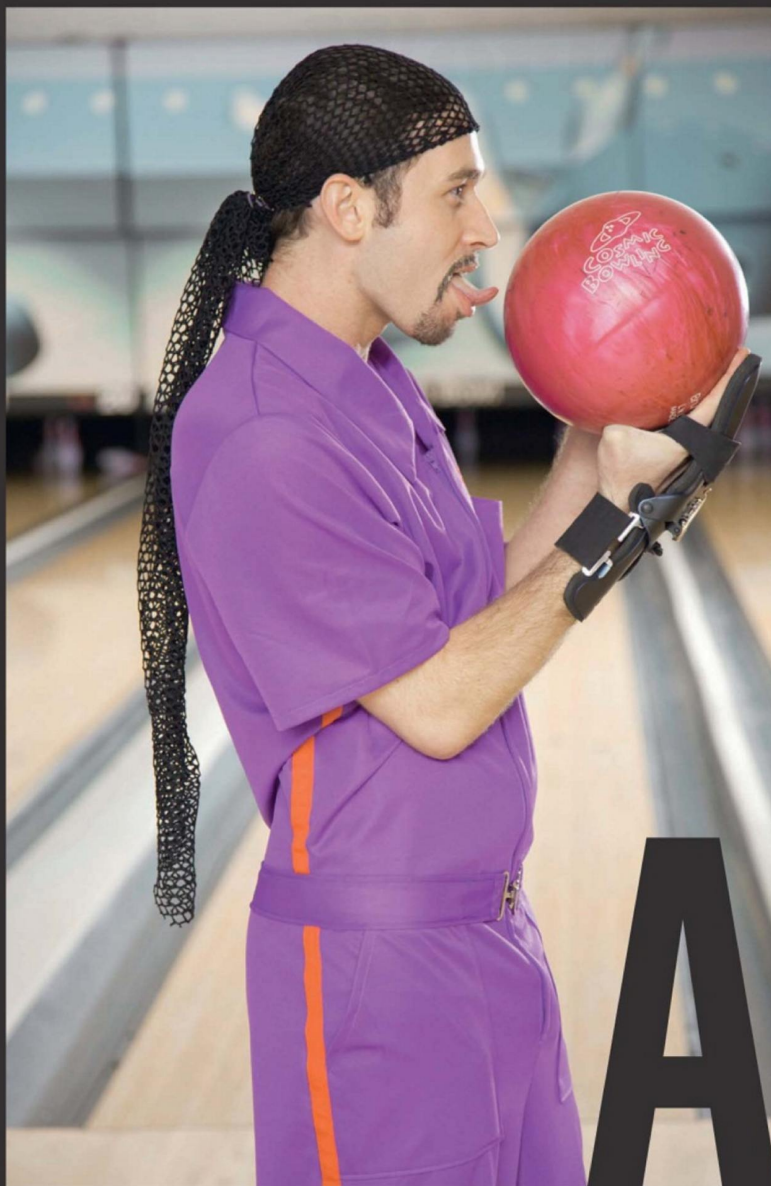

There are soooo many scenes I could talk about, I shot some great things over there. Next time I might choose one and go in depth and see if I can make you wank while reading this ;-)) Have a good month guys and speak soon. Stay hard and wank harder.

Love,
Angel Long xx

KANE IS ABLE!

This year sees the 15 year anniversary of the release of cult classic, *The Big Lebowski* – and the 3rd anniversary of the release of New Sensation's hilarious take-off, *The Big Lebowski: A XXX Parody*. This brilliant porno is more popular than ever, with US websites still featuring articles about it, so we sent Tamara Noon to catch up with the flick's star, Kimberly Kane, for a cuppa and a quick chat... [photos courtesy of New Sensations]

The Big Lebowski: A XXX Parody won 2 industry awards and was nominated for a further 13 (including the AVN Award for Best All Girl Group Sex Scene) why do you think that was?

I think that it's a great movie and the sex is really hot, so it was well deserved.

We hear you were a big fan of the cult original before making the porno version?

Yes, I've seen the movie over 100 times, easily. That's why it was my duty to play Maude Lebowski!

You played Maude Lebowski brilliantly – did you study Julianne Moore's portrayal of the character before shooting began?

My answer above kinda answers this question!

Tell us about your (now legendary) five-girl orgy – with Andy San Dimas, Celeste Star, Ashley Gracie and Jackie Daniels – which sees you dressed in a Valkyrie costume?

That was a hot scene! So many great girls – it was a fun time!

The final scene sees you and Tom Byron getting it on – had you worked with him before and was the chemistry between you really as scorching as it appeared?

Tom Byron is a legend. It was so fun working with him. He does a great Dude and he can bone very well...

Can you tell us any funny stories/memorable moments that happened during filming?

I came upon the director of photography taking a nap and I was poking him with my fake sword for a photo and I must have startled him because he took a swipe at me. He instantly figured out what was going on and laughed... That was fun!

Do you do any special preparation for a parody shoot, compared to a 'normal' porn film?

I just read the script and if I'm not familiar with the character, I watch the show and/or movie before the shoot.

Unlike many porn stars, you seem very comfortable with the acting you have to do in parodies. Have you had coaching and is it

a part of the job that you enjoy?

I have had no training at all. It just comes very naturally and I really can't act that well, but I can handle most porn movies.

Your career has been going from strength to strength since you began back in 2003. What do you put your continued success down to?

I have no idea how I've lasted this long. I just try to always be professional, help my business and respect others. Maybe that's why.

You've worked with New Sensations numerous times over the years – what keeps drawing you back?

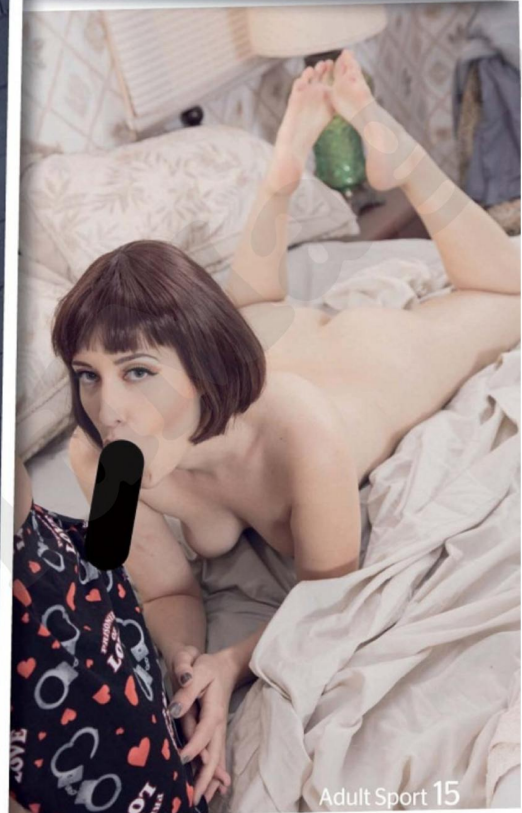

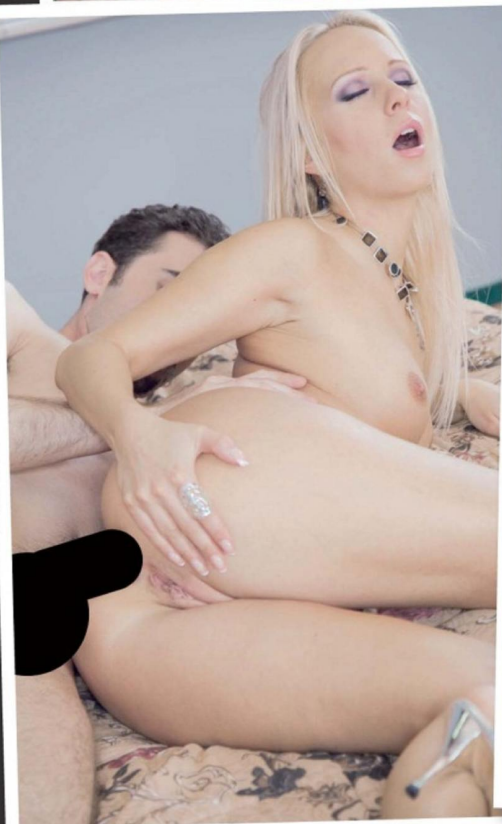

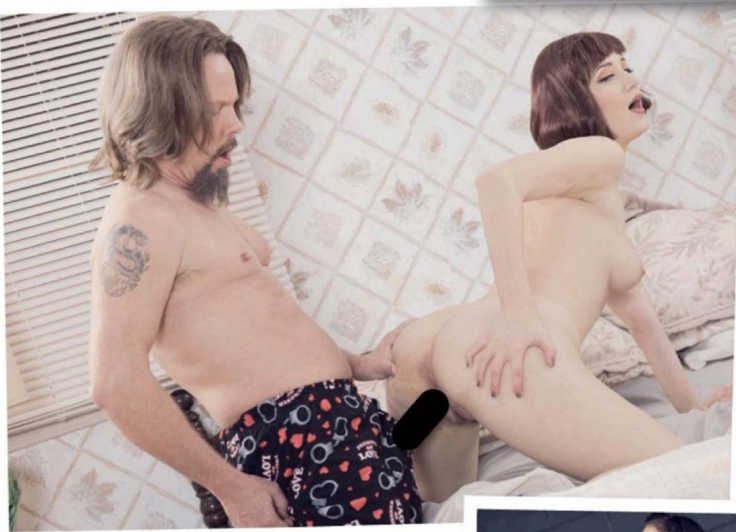

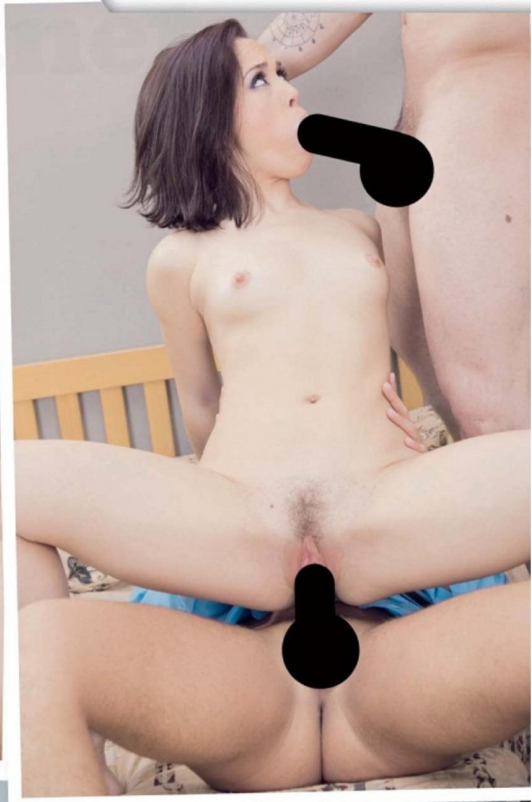

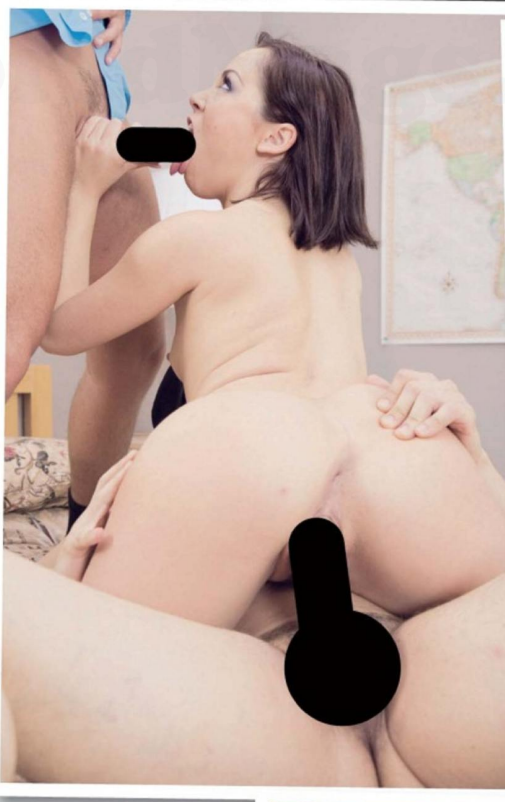

Great directors.

Have you got any exciting projects coming up?

We just wrapped a Wonder Woman parody for Vivid Entertainment and I'm very excited about it!

What's the best way for your fans to get in touch with you?

SHY SPORTS!

She's cute, she's all-natural, and she likes to practice blowjobs while watching blowjob films. We might just be in love with Riley Shy...

How did you get into the adult industry?

I had been a full-time student, but when I graduated I decided I wanted to try modelling for a while. Knowing that I had a good body, I figured nude stuff would be perfect for me. So I contacted some companies and agents in Los Angeles and was working on my first porn set a couple of weeks later! It was very easy for me to get started, much easier than I thought it would be. My old friends in my hometown are still stunned over my rapid transition into becoming a porn star!

Have you always been a bit of an exhibitionist?

Probably, but I never lived it out until I entered porn. I come from a very conservative background. When I grew up all the girls in my circle were very well-behaved, so except for a couple of steady boyfriends, I really wasn't very sexual at all. All I cared for was my books and my gymnastics. I didn't even have my first orgasm until I was nineteen. That day, I understood why people are so fascinated by sex. It was an amazing moment!

Can you tell us what happened?

Well, I had just broken up with a guy and was a little miserable. My girlfriend felt sorry for me and set me up on a blind-date with her older cousin. We went to the movies and then he walked me home.

Because I was a little desperate for affection at the end of the night, I let him kiss me and fondle me and as I became more and more aroused, he undressed me and started licking my pussy. No one else had ever done that to me, and it was incredible! I came so hard I'm sure all my neighbours heard my moans! Needless to say, the guy spent the night and we fucked like rabbits. It was a true epiphany for me. It totally changed me for the better. I have an incredibly high sexual drive now.

Do you prefer big guys, small guys or does it matter at all?

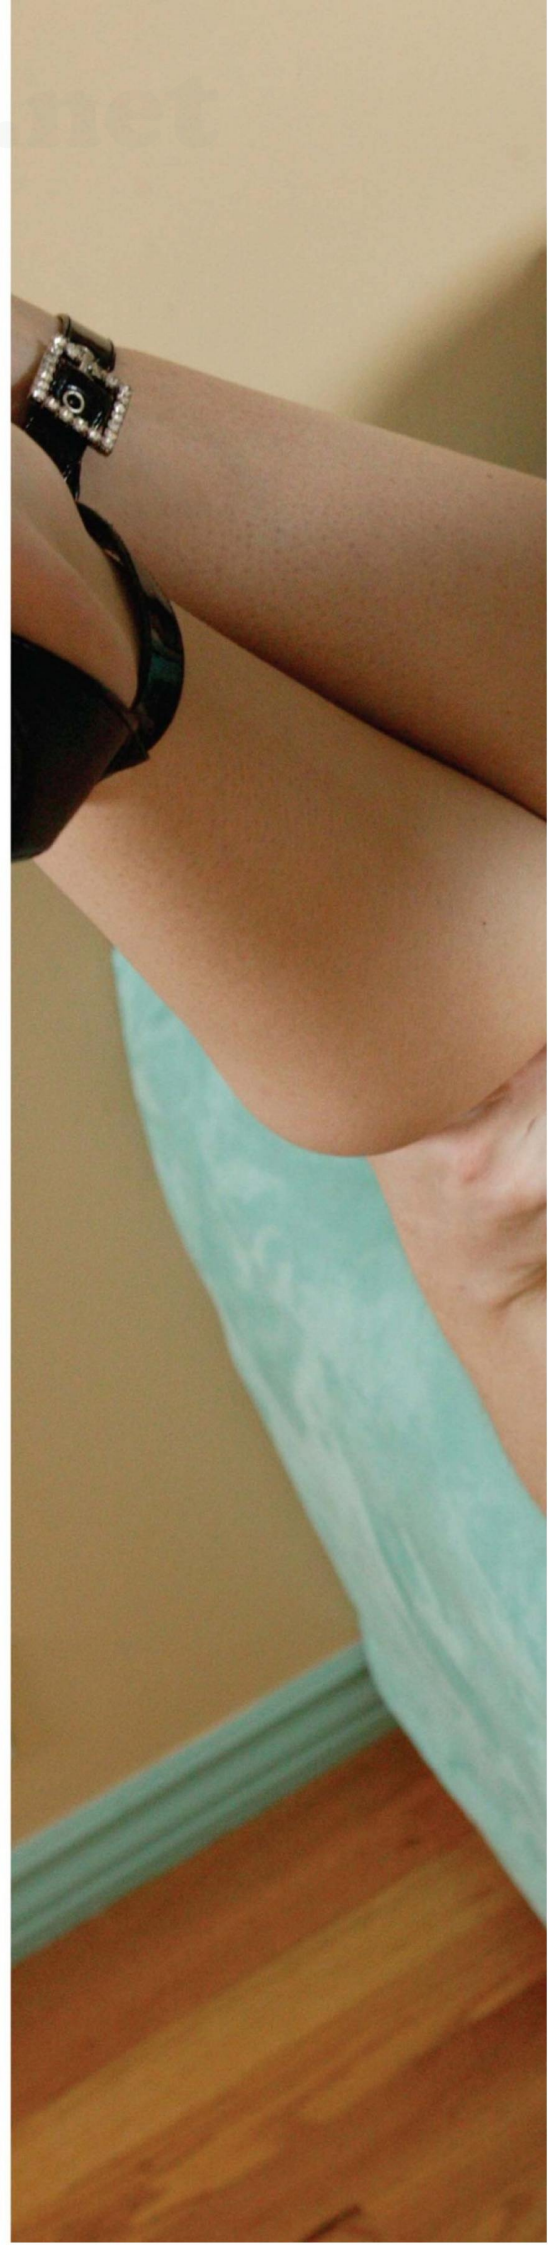

I prefer an average-sized dick, definitely. When I say average, I mean I want to be able to get my fingers all the way around it and touch my thumb to my middle finger. I would say six and a half inches long. That's pretty average.

So there is hope for average guys?

There is hope for average guys for sure. My muffin is very, very shallow and tight so it can be difficult for some of the bigger guys I shoot with. They have to work really hard to penetrate me all the way. At least I always get dripping wet! The boys say it feels like fucking a very willing virgin, so it can't be all bad, can it?

How do you give good head?

Actually, when I first started filming, I didn't really know how to give good head. For one thing, I had no idea you were supposed to actively use your hands on the shaft while you suck. So I asked a boyfriend to come over to my place with a bunch of blowjob movies, and we spent the whole day watching them while I tried to duplicate the moves that I saw.

Wow! Lucky guy!

Yes, funnily enough he loved it! Not only did I learn very quickly, I've been practicing a lot on the set since then, and now I think I'm pretty good. When I'm giving head, I feel like I'm on a mission. If I can't make a guy cum within five minutes, I feel like I've failed!

What scenes do you prefer to film?

By far, what I like to do most are those Point-of-View types of films, where it's only me, and the cameraman fucking me. I love to play against the camera lens and pretend I'm being fucked by the people who will be watching me. The notion that I'm exposing myself 100% to total strangers is such a turn-on.

Do you watch porn?

Of course, everybody loves porn in one way or another, even if they pretend they don't! And I still love sucking cock while watching the chick in the movie doing it.

Do you spit or swallow?

I swallow. Or not. Whatever they want. A protein shake is always fun, but they can give me the blast anywhere they want. It's a turn-on for me to watch a guy cum, no matter where he pops. *[Music to my ears – The Ed]*

What do you like in bed?

I like being submissive. I like a guy who's not

afraid to take control and throw me around a bit. I don't think any girl wants a guy who's gonna be a wimp in bed, do they?

Do you enjoy your job?

I love sex and I was extremely sexually adventurous before I got into porn. It wasn't much of a change from my normal, day-to-day life, as far as sex was concerned anyway!

Any plans to go down the 'enhanced' route?

Not really. I like that I look different from other girls in the industry, with my red hair and small tits. Usually I think natural tits look better, though I do know some people who've got nice boob jobs. Whatever floats your boat. I can't make the rules for anybody else, but in my opinion there is too much plastic surgery in porn, so no boob job for me!

Is there anything else about your job that you dislike?

Well, this may sound really silly, but my personal pet peeve is having an early call-time, and then having to sit around until noon on the set waiting to start shooting. It happens all the time. I'm very punctual so it bugs me when other talent oversleeps and delays the schedule for everybody else. I love my colleagues, they are all very sexy creatures, but some of them are quite irresponsible like that.

Do you ever cum when you're shooting or are you concentrating too hard?

The thing is, I love getting my muffin licked, so usually I have my orgasms during the oral sex part of the scene, long before the actual penetration starts. In the heat of the moment, you would never believe how hot and wet I get. Then I tell the guys to pay a little extra attention to my clit while they fuck me, so I get to cum again. But if I do, it is just an added bonus because by then I have already been satisfied!

Do you have any sexual fantasies that you haven't fulfilled yet?

Plenty, but at the top of my wish list is an orgy, for sure – a really good one. I've been fantasizing about that for a long time. I just want to have amazing, crazy sex with a group of really hot people that are really into it. Who knows – maybe this will be the year when I finally get to experience my first real orgy!

GWYNETH PALTROW

Some people love to hate Gwyneth Paltrow – and she does talk a lot of guff – but not us. No, we're in love with her, whether tragically in *Seven* or quirkily in *The Royal Tenenbaums*. But she doesn't get nude in them, does she? So check out *Shakespeare in Love*, *Great Expectations* and *Sylvia* to see her gwynnies in all their glory!

FAKING IT!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

FAKING IT! STAR OF THE MONTH...

FRENCH OPEN!

The editor of this magazine called me today and asked me if I'd ever done anything on a photo shoot that I thought was shocking or shameful. Well, at first I thought that sounded a bit silly – everything that happens on these photo shoots is pretty shocking and shameful. It's not like I call my mum and tell her what went on!

But then I got to thinking back to some of the shoots I've been on and this one thing really stuck in my mind. I realised I hadn't told anyone about it, and that it had been weighing on my mind. Not that I didn't enjoy doing it, but it was a thing I've only done once, and I doubt I'd do it again, cos it was so extreme.

I was working on location in Paris and doing a hardcore movie. A nice glossy one with very pretty girls and good-looking studs, just the type I like. I was booked in for two scenes – a girl/girl with a model called Natasha and then a boy/girl with a stud called Mark. Both

went very well, and by the time I was finished filming, I was left with a free evening to explore Paris before going back home.

A few of the other cast members were also clear that night, so we went to a restaurant that the director, Luke, recommended and then we followed Luke to some bars and clubs that he said would be fun. He was right – they were a lot of fun, very classy and filled with beautiful people. The last one he took us to was very exclusive, he said he'd had to wait for years to become a member himself. It was luxuriant and decadent, with only the most exclusive clientele. I can hold my own amongst glamorous people at the best of times, but this really made me feel like a rabbit in the headlights.

All the serving staff were fully naked, male and female, and had perfect bodies and perfect poise. They carried around trays of fancy cocktails, no money changed hands, I think the cover charge was huge and that covered everything we had. It was dark in

there, lots of nooks and crannies, and it was after my eyes adjusted to the light that I realised people were having sex everywhere! It was a swingers club, but one that you had to pay top dollar to be a member of, and it was geared toward beautiful women – I'd say there were three girls to every guy in the place.

We took a booth and got served drinks by a stunning waitress with the body of a goddess. She caught my eye and we shared a secret smile. I don't think I'd ever seen anyone so gorgeous in my whole life. Jake seemed pretty pleased with himself that he'd got us in there, and the other porn stars – Natasha, Mark and two other girls whose names I can't remember – were as eyes-wide-open as I was.

Well, even though I'd been fucking earlier that day, I was totally horny again and after a couple of delicious (and strong) cocktails I could feel Jake undressing me with his eyes, so I turned to him, put my hand on his knee

and told him there was no place I'd rather be than right there. He smiled at that, and then I moved my hand further up his leg until I could feel the bulge of his growing penis through the material of his trousers. People fucking nearby, softly moaning, added to the sensual atmosphere, and the other actors from my film watched and started masturbating as I pulled out Jake's cock and sank my face into his lap.

I took his penis all the way into my throat with the first dip of my head, tasting its saltiness and feeling his tight balls against my lips. I held my head there, not breathing, running my tongue along his shaft, and slowly came back up, trailing threads of spit as I brought myself up to look in his eyes. He was happy!

We manoeuvred on the seat so I could get on all fours and bob my head in his lap while Natasha and one of the other girls proceeded to undress me, running their hands all over my body as they pulled my tight black dress over my lingerie, and then pulled that off too. I cupped Jake's balls and worked his cock up and down in my mouth, letting it slide in and out of me, guiding it with my tongue. All through shooting the film I was hoping I turned him on while I fucked Mark in front of him, and now I had my answer.

Mark, in the meantime, started fucking the other model, and I'm guessing the sight of a gang of porn stars going at it must have attracted more attention than some of the other patrons of the venue, because before long we had an audience.

This turned me on even more, and as Natasha slid her fingers into my shaved pussy, I think she was surprised at how wet I was, especially considering that she'd been licking that same cunt only hours earlier.

I noticed the waitress I fancied had stopped to watch me, so I made eye contact with her as I sucked Jake's dick. She walked over and stood by me as I blew him, stroking my hair as my head bobbed up and down. I picked myself up from all fours, faced her and started kissing her hard, and she reciprocated by sticking her tongue hard into my mouth, doubtless tasting the salty flavour of Jake's pre-cum.

Jake was still sat behind me, so I stuck my ass out and lowered it against the head of his prick, which was still slick with my spit. He thought he was getting to fuck my pussy, but instead I pressed my buttock against his helmet and gasped out loud as I sank down his prick, feeling it fill my ass. The waitress leaned forward to keep kissing me as I ground my butt against Jake's crotch, and I guided her fingers to my pussy so she could frig me while I got my ass fucked.

The rest of our crew gathered around us, touching, fingering and kissing, until I sensed that both Mark and Jake were ready to cum. The waitress whispered to me to try and keep the jizz off the furniture, so I took Mark's cock in my mouth and sucked the spunk out of him, drinking down his load while Jake erupted inside my bum, yelping aloud while he flooded me. There were plenty of wet wipes on hand to make sure we didn't cause a mess (I guess they're used to their clients orgasming all over the place!) and we were all sitting drinking our cocktails again within a few moments.

However, I made sure to get the number of my waitress so we could share future intimacies without letting a crowd join in and watch. As much as I enjoyed it, it wasn't the kind of thing I think I could do regularly. It was strange and extreme, but I loved it. And now, whenever I'm in Paris, I have a beautiful statuesque waitress I can call up and arrange to fuck!

ROSE LESLIE

Rose Leslie is Scottish but sounds as posh as you like. Except, of course, in *Game Of Thrones*, where she plays wildling Ygritte and does a passable northerner. She also makes constant passes at Jon Snow and seems to think of little else but getting the Stark bastard inside her wildling wanny. And, this season, she finally succeeds, showing us her roses in the process...

LEGENDS OF PORN

STACEY OWEN

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

Glaswegian glamour girl Stacey Owen was a big name in '80s top shelf mags and newspapers, and it wasn't because of her love of bagpipes and deep fried haggis. No, this mega-boobed babe had a pair of the best natural norks in the biz, a pair that got her 2nd place in 1986's Miss Wet T-Shirt Final. She filled the pages of many a Paul Raymond mag, and her buxom charms were in big demand on The Sunday Sport and

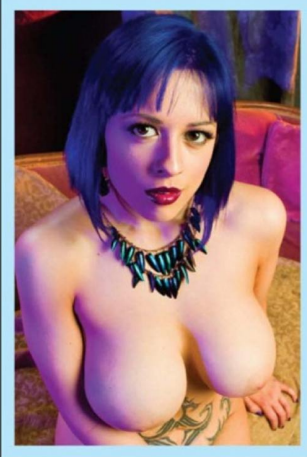

Electric Blue roadshows. Her British film career was almost exclusively softcore, but Stacey put that body to work on the continent appearing in many a hardcore mag and a few movies too. Scotland's finest porn star? Well, there might not be a lot of competition for that slot, but even if there was, Stacey's tops would help her come out on top...

The thing about women's locker room scenes in Hollywood movies is they never accurately depict how non-sexy these places really are.

CONDOMFINDER

Never be caught short again when you meet a fittie, but don't have any rubbers. Put in your current location and Condom Finder gives you details on where to find free condoms and lube. Let the lovin' commence!

SEX SOUNDS

Purely gratuitous, Sex Sounds is the perfect app if hearing a woman screaming, moaning and close to climax is what gets you going. There are pages of women to choose from, just hit the one you like the look of, lie back and listen to her pleasure.

Alternatively, we've found this is a great gag app to use in public when with mates. I.e. in the park, surrounded by bushes, set it going and watch as they try to figure out if someone is copping off close to the picnic area!

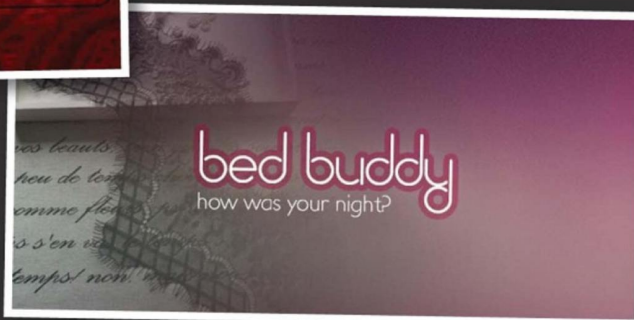

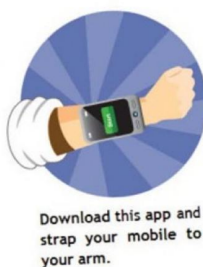

WANK-O-METER

The description by creators, FiveAgainstTheBaldGuy, sums up why you need this app in your life: 'For far too many years, wanking has crossed an age of darkness. No metrics, no references, no performance analysis.' Well, now there is. Download the Wank-o-Meter and you can keep track of all your best solo sessions in graph form.

Before you start pick a sound track to your wank session – we especially like porn track or the Mongolian chanting – and a sound for each stroke. Light Sabre is particularly empowering! Hit start. The only tricky bit is trying to hold your phone in the same hand that you're wanking with.

Get all your results at the end. You can even compete against other people with the app from all around the world and prove you're the biggest and best wanker that ever was!

Technology at the service of your personal sexual life

BEDBUDDY - SEX CALCULATOR

Keep a record of bedroom performances with the Bed Buddy, which tracks and records how good you really are in the sack. Perfect for proving you're the stud you say you are!

It works by recording movement and sound through your phone. Hit start and away you go. The timer starts, indicating how long the sex session lasts. It then records sound through the microphone and motion through the movement of your phone. While you're at it, Bed Buddy offers amusing comments like, 'you're probably disturbing the neighbours' or 'woah, are we on a boat?', not that you're likely to notice because you'll be too busy fucking.

When you've both cum and you're in a sweaty mess, you can then add the name of your partner and give the sex you've just had a rating out of five. Bed Buddy does the rest based on sound, motion and how long you were able to go for to create a handy graph. Useful for seeing improvement if you're actually pretty shit in bed, or great for proving to your mate's that you are as much of a legend as the ladies say you are. It even tells you how many calories you've burnt.

Luckily this app comes password protected, so if you are rating how good sex is with multiple partners, they won't be able to get hold of the date to see that Kelly is actually a better shag than Louise, for example.

SEXY TEXTSLITE

Stuck for something to say when your other half sends through a red hot sext? No problem, Sexy Texts thinks up all the naughty, rude bits for you. There's a whole host of erotic messages to choose from, copy and send to your lover.

CARLA

Anyone who has seen Carla Cox in action in her plethora of porn films will know that is one dirty girl. And she never turns off:
"I'm horny 24 hours a day," she reveals.
"That's why I make porno, so that I get my fill of big dicks whenever I need it. I need to taste cum every single day or I go mad!"
You can see why we love her – Cox by name, cocks by nature...

DIANE LANE

Diane Lane has been sharing her red hot body with us since 1983's *Rumble Fish*. Thankfully, she hasn't got any more modest in all those years. 1987's *The Big Town* really set the ball rolling, but after showing she still had it in 1999's *A Walk on the Moon* she went hell for leather with a highly charged, erotic performance in 2002's *Unfaithful*. Lane is right up our street...

SIN-TILLAT

When Tanya Hyde is the directing power behind the clapperboard, you come to expect certain things. Fetish outfits, wigs, hats, PVC and leather, dark lighting, imaginative scenarios. Oh, and lots and lots of filthy sex.

It's the latter that captures our attention as we spend some time moving from scene to scene with the cast and crew. We've seen a fair few of these girls do their naughty thing in Harmony movies recently, although we never tire of seeing Sam Bentley or Cathy Heaven getting stretched open by a fat dick. But what we're most excited about is being in the room as petite Spanish sex-bomb Liza Del Sierra, who we've seen in many a Yank stroke flick, gets penetrated professionally.

She doesn't disappoint. This girl is the perfect porn package. She talks dirty, she sucks a mean cock, she can do tit-fucking, and dicks just seem to disappear into her arse. Her scene here is a doozy, and we'd have flung our semen into the mix if doing so wouldn't have got us immediately ejected from the shoot.

We're glad we stuck around, as we got to see two of the flag-fliers of Brit porn – Samantha Bentley and Paige Turnah – handle 50% each of one immensely lucky cock. These girls aren't timid with tools, and deserved the glazing of goo they got at the end. Blue-balled, we returned home to wank ourselves empty at the memories...

The House of Sin

Starring: Cathy Heaven, Samantha Bentley, Jasmine Webb, Liza Del Sierra, Paige Turnah, Jasmine Jae, Various males with penises.

Directed By: Tanya Hyde

FRENCH FANCIES!

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we head to France, which isn't all blokes in Breton shirts riding around on bicycles with onions around their necks. It is mostly that, though...

Hello, I am the King of France. It would be *tres bien* if you'd look at the tits of our finest femmes!

AUDREY TAUTOU

There are few films as 'French' as *Amélie*, and while it might be winsome and self-consciously quirky, we love it. Why? Because Audrey Tautou is all up in it, and if there's a more winning performance in French cinema history, we haven't seen it. She redefines 'gamine', but keeps her clothes on, unfortunately. But not in *Le Libertin* (2000) she doesn't. There she shows off her perky boobs and, dare we say it, the nicest bum in the world in a bath scene that had us reaching for the Matey. She also flashes some sights for sore eyes in *La Boiteux* (1999), 2001's *God is Great*, and *I'm Not* and 2004's *A Very Long Engagement* gives us another run at that bum. Since then, silence. Come on Aud, we want to see them Tautou's again...

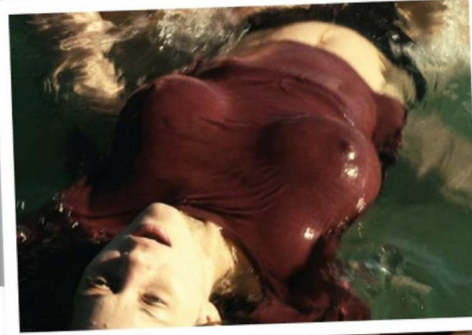

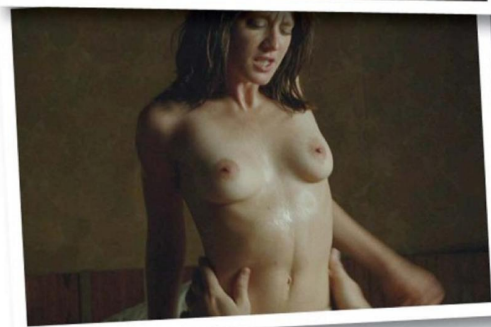

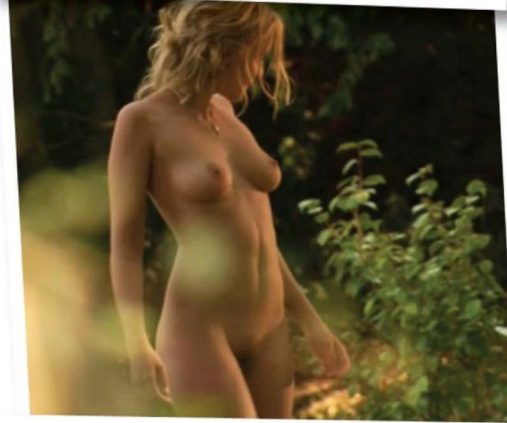

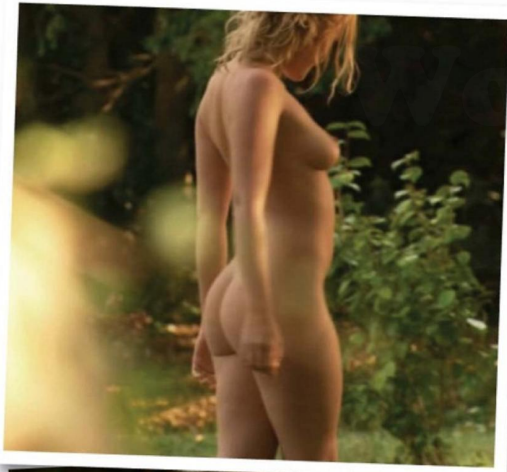

EVA GREEN

Best known for her performance as Vesper Lynd in Bond reboot *Casino Royale*, penis-pleasing Parisian Eva made her film debut in Bernardo Bertolucci's *The Dreamers* (2003). And talk about throwing yourself into the deep end. In that film she shared explicit sex scenes with a couple of lucky dudes, showing off boob, box and bum and making cream squirt from our *éclairs*. She didn't strap on a chastity belt once she found fame, however, with more romps in 2011's *Perfect Sense*, 2009's *Cracks*, and her appearance in TV's *Camelot* was replete with boobage. Perhaps the French just have a more relaxed attitude to getting your crack out.

MARION COTILLARD

Parisian Oscar winner Marion Cotillard is one of the most naturally beautiful Gallic actresses we've ever touched our penises while looking at. We can admire her nuanced performances, and we can admire her nuanced tits. Oh yes. She's somewhat under wraps these days, now that she's a leading lady, but the gorgeous garlic-muncher wasn't so reluctant in 2002's *A Private Affair* where she shows us her grande bouche (yes we know that's not right) or in 2001's *Pretty Things* where her soft boobs and natural merkin get some air. There's more – 1998's excellent *Taxi*, 2000's *Furia*, so take a trip through Marion's crack catalogue...

**LUDIVINE SAGNIER**

I'm sure we're all familiar with La Celle-Saint-Cloud in France? Of course we are. Because that's where Ludivine Sagnier comes from, an award nominated actress with a liberal approach to getting her gisp out. She first came to our attention (and made us stand to attention) in 1999's *Water Drops on Burning Rocks*, her amazingly pert boobs getting an airing, before she decided to drop a fanny-bomb on us as well. She followed this up with yet more full frontal Frenchness in arthouse flick *Swimming Pool* (2003), showing us her shallow end, deep end and veruca socks (ugh). 2008 saw her topless in *Mesrine* and her sun-kissed nudity in 2003's *La Petite Lili* is so beautifully shot and lit that we paid it the ultimate respect and had a right big wank over it...

SOPHIE MARCEAU

Born in 1966 in Paris, Sophie Marceau deserves some kind of award for services to screen nudity over several decades. At the age of 18 she was topless in *Joyeuses Paques*, and only one year later took it to the next level by getting nude in *L'Amour Braque*. And she hasn't looked back... *Mes Nuits Sont Plus Belles Que Vos Jours* (1989) is stacked with Sophie's soft bits and 1995's *Beyond the Clouds* shows that late 20's Sophie was just as hot in the altogether. And in the 2000's? Yup, still at it in *La Fidélité* and *Don't Look Back*. Sophie, as much as we admire your thespian skills, never stop stripping off...

MARISA TOMEI

It seems like a long time since Marisa Tomei won her Best Supporting Actress Oscar for *My Cousin Vinny* but, let's be honest, we prefer Marisa when she's unsupported. Like in *The Wrestler* and *Before the Devil Knows You're Dead*, where she shows that she doesn't need a bra to be a star!

LEXI

US porn star Lexi Belle has had e-muff!
"I'm growing it for a 70's porn spoof I'm starring in," she reveals, "and it's really itchy! I can't wait until we've finished filming and I can shave it all off again."
So you prefer to be bare?
"Personally, yes. I'm more sensitive that way, and when people give me head, they can access my clit a whole lot easier. It has more than a few benefits!"
